

Directions from Raleigh to UNC Institute for the Environment's CEMPD and the CMAS Training Facility

The CEMPD offices are on the 6th floor of the Bank of America building, at 137 E. Franklin Street. It takes about 20 minutes to get here from Research Triangle Park, so it will take some additional time coming from Raleigh.

- ◆ Take I-40 West.
- ◆ Take the NC 54 West exit toward Chapel Hill (Exit 273B).
- ◆ Go approximately 4 miles, through 5 or 6 lights. After you pass the Glen-Lennox shopping center on your right, cross under 15-501, then go up the big hill. At the top of the hill, turn right at the light onto Country Club Blvd. Follow that street as it curves to the left until you get to the second light (Raleigh St.).
- ◆ Turn right onto Raleigh St., then go through the light at Franklin St.
- ◆ At the next light turn left onto Rosemary St.
- ◆ After going through the light at Henderson St., drive half a block and you'll see a parking deck on the right. Enter and park. Note that you must pay to enter (either \$6 or \$3, depending on time of day), so it will help to have some cash ready.
- ◆ Bring your parking ticket with you into the building. We will stamp it for you so the parking deck will refund your parking fee when you leave (up until 5:00 PM).
- ◆ Walk across the catwalk on the second level of the parking deck to enter the Bank of America complex. At the end of the catwalk, cross the small patio area, then turn left and walk around two sides of the building. When you get to the glass doors, enter the elevator lobby.
- ◆ Take an elevator to the 6th floor.
- ◆ Enter the suite through the glass door.
- ◆ The CEMPD Conference Room/CMAS Training Room is on the right near the end of the hallway (Room 675).
