Welcoming applications for the Spring 2014
Sustainable Triangle Field Site

The Sustainable Triangle Field Site offers an urban field experience on and near the UNC campus. Academic studies in the environment, urban planning and related fields are paired with practical learning through internships, capstones, field trips, and weekly dinner meetings. Open to juniors and seniors.

HOW TO APPLY

Application deadline: Monday, September 30, 2013
Acceptance decisions: Friday, October 11, 2011
Required: * Statement of interest
* Transcript
Optional (recommended for non-environmental majors): * Letter of reference
* Resume

Submit to E. Shay, eshay@unc.edu, (919) 966-0581
